

GASTECH EXHIBITION 2011 - BOOK NOW!

21 MARCH – 24 MARCH 2011 - RAI, Amsterdam, Netherlands

The 25th Gastech Conference and Exhibition

The largest international event serving the entire spectrum of the natural gas industry, Gastech provides a prestigious meeting place for thousands of global gas professionals. Bringing together members of the commercial and technical gas worlds from more than 75 nations, Gastech is the ideal place to network, exchange information and showcase the latest technologies and developments that shape the growth of the global marketplace.

Comprising an exhibition (with over 300 exhibitors, spanning more than 6 halls) and a high-level conference (featuring 120+ influential speakers), alongside educational features and unrivalled business networking, Gastech 2011 is a must-attend event for organisations seeking to build partnerships and keep abreast of the latest industry news and developments.

SBGI has booked 126sqm stand at GASTECH 2011 and it will encompass:

- Dedicated exhibitor floor area (fully furnished with table, stools, display podium for your product, brochure display rack, electricity point)
- On stand meeting room/s
- Corporate area comprising large LCD screen to show exhibitor presentations, tables & stools, storage and kitchen facilities.

Cost to exhibit:

- **Principal space £9,000 (12 sq m approx)**
- Prime space £6750 (9 sq m approx)
- **Standard space £4,500 (6 sq m approx)**
- Product & brochure display only £1,500
- **Brochure display only £790**
- Additional space - £790 per sq m (Precise dimensions will be available on completion of Stand design.)

Space at Gastech is on a first come first served basis so to enable SBGI to commit to a Stand please register your interest, or reserve space, by contacting Ana Ray at SBGI without delay - phone 01926 513761 or e-mail ana@sbgi.org.uk
